Overview

Villa Bokéh is a luxury, seven-room hacienda in the heart of a six-acre garden, situated in the lush outskirts of Antigua, Guatemala. Designed by Paliare Studio, guests will experience an alluring blend of sophisticated architecture, Guatemalan colonial design, and modern details. Choose private balconies, enclosed gardens with fire pit and volcano vistas. A private art collection accents each room with a personal touch from its exquisite photography, remarkable sculptures and elegant paintings inspired by Guatemala's rich and colorful culture.

In the afternoon, enjoy English tea in the garden or a flavorful snack at its Tortilla Bar. Savor Guatemalan specialties and international cuisine at its restaurant. Venture into town to explore Antigua's colorful colonial stone streets and restaurants or shop for textiles and crafts. Villa Bokéh offers guests a credit to shop and support local artisans. Unwind with daily yoga or a Shaman experience for a full cultural immersion.

Experience the best of both worlds by pairing it with its sister-property, Relais & Chateaux [Casa Palapó](#), perched on Guatemala's famed Lake Atitlán. Villa Bokéh is the second hotel for the Guatemalan hospitality group, Group Alta and the second Relais & Chateaux in the country.

How to Get There

Villa Bokéh is located in Antigua, Guatemala known as one of the most beautiful colonial cities in the country. The property is approximately 25 miles away from La Aurora International Airport (GUA) in Guatemala City. Stays can be combined with its sister-hotel, Casa Palopó, located on the famed Lake Atitlán - a three hour drive or 15-minute helicopter ride away.

Seasonality
